

Sharing eBird Observations with the Trinity Bird Count

The Trinity Bird Count uses [eBird](http://ebird.org) <http://ebird.org>, a real-time online bird checklist project managed by Cornell Lab of Ornithology and Audubon.

In order to enter data, you must create an account linked to an e-mail address. For a step-by-step tutorial on how to enter observations, see the [eBird Quick Start Guide](http://help.ebird.org/customer/portal/articles/973977-ebird-quick-start-guide) <http://help.ebird.org/customer/portal/articles/973977-ebird-quick-start-guide>

Once you have entered a checklist, you will have the opportunity to share the list. Click the link for “[Share w/ Others in Your Party.](#)”

The screenshot shows the eBird interface for a submitted checklist. The checklist ID is S15367999. A yellow banner at the top states: "Your checklist has been submitted! Please review it carefully and make any necessary changes." The checklist details are as follows:
