

Flying WILD Educator Workshop

Are you a classroom teacher or environmental educator?

Do you work or volunteer for a local nature or conservation organization or group?

Do you facilitate other environmental education programs?

Then the Flying WILD Program is for YOU!

Flying WILD makes it easy to educate students about **conservation** using **birds** as the vehicle.

Help **reconnect kids with nature** and **build science skills**

December 1, 2012 8:30am–3:30pm

Mitchell Lake Audubon Center

Fee: \$20

- Flying WILD provides **interdisciplinary activities** and **environmental education** for educators to help students excel academically with a program that engages students in real inquiry while meeting national science standards.
- Formal educators receive 7 CEU credits
- Flying WILD materials provide interactive, interdisciplinary, standards-based activities to help students understand the importance of migratory birds and their conservation.
- **Educators learn how to conduct WILD lessons and participate in hands-on activities from the activity guide, which teaches basic biology, identification, ecology, and bird conservation and service learning activities.**

Flying WILD is a program of the Council for Environmental Education. www.flyingwild.org
